

step 1 A CUT ABOVE

After you've selected a fun printed tee, lay it out on a table and **SNIP BOTH SLEEVES OFF** along the seam. Measure the circumference of the top half of the armhole and ...

**step 2** FRILL RIDE

CUT TWO EQUAL-SIZED HALF MOONS from the chiffon fabric. Sew each piece with the rounded edge facing outward so it forms a "canopy" over the shoulders.

**step 3** SEW INCLINED

With three strands of embroidery thread, **SEW IDENTICAL STITCHES** around the neckline, the bottom hem, and the edge of the chiffon sleeves.

**step 4** FIT TO BE TIED

USE THE RIBBON TO CREATE A BELT. One side should be long enough to wrap around your waist twice. Sew the belt to the left and right sides so it lays flat across the back of the tee. □
